Dear participant,

On behalf of the organizing Committee of the 16th International Conference on Lyme Borreliosis and other Tick-Borne Diseases, we invite you to participate in this meeting, which will take place from 4 – 7 September 2022 at the Royal Tropical Institute (KIT) in Amsterdam, The Netherlands.

Over the last few months and in close collaboration with the Scientific Committee we have drafted an interesting scientific program. This includes excellent speakers from the USA and Europe and covers a wide range of topics, including tick-host-pathogen interactions, diagnosis & treatment and prevention.

It must be understood that this letter does not represent a commitment on the part of the meeting organisers to provide any financial assistance.

Sincerely,

Lesley van Lierop
